# Summary

Description	<p><b>English:</b> Escutcheon Field: Azure / Sable.</p> <p>Charges: A chevron argent with three stars azure, surrounded by three maple leaves argent and a label of three points argent that signals her rank as the second daughter.</p> <p>Design rationale: The colors azure and argent represent Greece and the paternal line of Alikí Kassotis, while the three maple leaves argent represent her father's Canadian origin through the female line. The mountain-like geometry of the lower escutcheon represents the struggles of life and the three stars azure represent hope for a better future.</p>
